## ***Message from the General Manager***

### **Welcome aboard the River Valley Transit Bus System!**

River Valley Transit is celebrating 50 years of public transportation in the City of Williamsport and surrounding communities. On August 8, 1969, the City officially began operation of the buses under the newly created Williamsport Bureau of Transportation (WBT), having purchased the privately operated Williamsport Bus Company with the help of grants from the federal Urban Mass Transportation Administration and the Pennsylvania Department of Transportation.

For you History buffs, the first decade of this transition from private to public transit saw construction of a new maintenance facility and office space for the Bureau of Transportation and the purchase of twelve new Twin-Coach buses in its initial attempt to update its antiquated fleet. While the City of Williamsport was the owner and operator of the new transit system, a partnership including surrounding communities – including Old Lycoming and Loyalsock Townships along with the boroughs of Montoursville, South Williamsport, and Duboistown – was formed to provide local funds necessary to provide local matches state and federal operating grants. In 1977 WBT implemented a comprehensive new system of routes and schedules that greatly improved service levels and ridership, which reached the one million mark for the first time in 1979!

In 1980, although still the Williamsport Bureau of Transportation for administrative purposes, the operating system changed its name to City Bus, with the motto “We Take Pride in Every Ride.” In that same year City Bus began to upgrade its fleet with the acquisition of eight new GMC fully-accessible buses with wheelchair ramps and lifts, and then in 1983 it purchased seven new Neoplan buses, making the City Bus fleet the most modern in Pennsylvania. Also, in its first move toward regionalization, City Bus extended bus service to the Lycoming Mall and the Borough of Muncy in 1988. In 1990 City Bus purchased the first of its three trolleys.

As a result of a study of downtown Williamsport infrastructure needs, a development plan was conducted by the City, Lycoming County, and the Chamber of Commerce. In 1998 construction began on a transit facility on the corner of Third and Pine streets. This Trade & Transit Center I, which opened in 1999 on the former site of L.L. Stearns Department Store, operates as a central hub for transit system operations which facilitates easy transfers and provides numerous amenities for passengers. A decade and a half later the Trade & Transit Centre II was built to expand RVT’s downtown hub.

In 2003 service was initiated on the new Tri-Town connector which linked the Boroughs of Montgomery and Hughesville with Muncy and Lycoming Mall. In 2005 City Bus changed its name to River Valley Transit (RVT) to better represent its commitment to meeting the mobility needs of the public throughout the River Valley Region. This regional involvement grew substantially in 2011 when RVT began managing the Endless Mountains Transportation Authority, now know as BeST Transit, which operates fixed route and shared ride service in Bradford, Tioga, and Sullivan Counties to the North of Williamsport. And, currently, RVT is conducting a three year demonstration program to provide bus service in nearby Clinton County and the City of Lock Haven. In addition, we are exploring the possibility of extending fixed route service to Columbia, Montour, Northumberland, Union, and Snyder Counties below Williamsport. Along the way, as RVT has continued to upgrade its fleet, it has been fulfilling a long-time commitment to operate only clean-air compressed natural gas fueled vehicles, and we now have 19 CNG buses in the fleet with four more on order.

## Message from the General Manager, cont.

To celebrate how far we have come in 50 years and where we are going, on **Thursday, August 8<sup>th</sup>**, RVT will be offering Free Rides to our patrons all day! Please join RVT, in our 50<sup>th</sup> Anniversary Celebration at Mid-Town Landing by taking part in the following:

- Beiter's Home Center Prize Giveaways
- 25¢ Hot Dogs 11:30 am - 1 pm
- KISS FM Radio Remote 6-8 pm
- Movie on Big Screen 8 pm
- See page 33 for more details!

Then, on **Friday, August 9<sup>th</sup>**, River Valley Transit is proud to present the Midtown Men at the Community Arts Center as part of our 50th anniversary celebration, with tickets as low as \$19.69! Please go to the Community Arts Center [caclive.com](http://caclive.com) website for further information. The Midtown Men Tenth Anniversary Tour reunites stars from the Original Broadway Cast of the smash hit musical, Jersey Boys. Launched in 2010 from their three-year rocket ride together bringing to life the sound story of Frankie Valli and The Four Seasons, this Broadway breakout vocal sensation is widely celebrated for their signature renditions of the iconic hits of the 1960s. RVT extends a thank you to our sponsors for making this signature event possible, including M&T Bank, Susquehanna Paper & Sanitary Supply, Community Arts Center, & Kiwanis State Convention.

Together in Transit,

General Manager

### Summary of Route Changes

Effective Monday, August 5, 2019

- **Tri Town Connector Montgomery** will service Muncy Green inbound and outbound. Outbound and inbound to and from Muncy the bus will use John Brady Dr. instead of I-180.
- **Tri Town Hughesville** will service Muncy Green inbound and outbound. The time point for both routes at Muncy Green will be :34 after outbound and :21 after inbound.
- **The Lycoming Mall** bus will proceed from the Transit Centre on Third St. to Mulberry to Washington Blvd. to Third St. Inbound the route will be Third to Washington Blvd. to Mulberry to 4th to William to the TTC. Additionally, there will not be a Lycoming Mall bus departing the TTC on the half hour on Fridays and Saturdays.
- **The Nightline East** bus will proceed outbound the same as the Mall bus. The bus will exit I-180 at the Lycoming Mall exit and proceed to Lycoming Crossing. There is no service to the Lycoming Mall. Inbound from Walmart the bus will use Montour St. to Broad St. to Third St. instead of I-180. Also inbound the bus will turn from Washington Blvd. onto Mulberry to 4th to Pine to the TTC.
- **The Nightline West** inbound will be 4th to Grier to 3rd to Maynard to 4th.
- **Vallamont** Inbound from Wegmans the bus will go Hepburn to 3rd to Market to 4th to Pine to the TTC.

### Planning Your Trip . . .

Let us plan your trip for you. Call River Valley Transit and tell us where you are, where you want to go, and what time you want to be there. We'll tell you which bus to take, where to board the bus, when the bus departs and arrives, and which bus stop to use. You can also learn more about our myRide trip planner on page 13.

### Questions, Suggestions, Problems . . .

The bus service is for you: the rider. If you have a suggestion or complaint, please let us know as soon after the incident as possible. Give us the route, time of day, and as many other details as you can. If we're doing things well, we'd like to know that too! We're interested in your questions and recommendations.

### Lost and Found . . .

River Valley Transit maintains a Lost and Found Department. Articles left on a bus are kept for 30 days. If you have lost an article and would like to claim it, please call us.

## Riding the Bus

If you have never ridden the bus or not used one recently, here's a quick and easy lesson. After checking the bus schedule of the route you want to use, go to the closest bus stop. Most River Valley Transit stop locations are marked by a bus stop sign. Remember, buses stop only at designated bus stops.

**WHICH ONE'S MY BUS?** Look at the head-sign on the front of the bus to determine the destination. The destination corresponds to the destination found in this RIDE GUIDE.

- As the bus comes, stand close to the bus stop and signal to the driver.
- Wait until the bus comes to a complete stop and then board at the front door of the bus. Please have your exact change, token or pass ready to show the driver as you enter the bus.
- If you need to transfer to another RIVER VALLEY TRANSIT bus to complete your one-way trip, ask the driver for a transfer when you board.
- Take a seat and enjoy your ride.

**ANIMALS ON THE BUS:** Small animals are permitted to ride the bus with their owner if the animal is in an approved pet carrier or is muzzled. The only exception to this policy is if the animal is a service animal.

### Information

- Be at bus stops shortly before scheduled time to avoid differences in clocks and watches.
- "Bus Stop" signs are located throughout the area. You can only get on or off at these stops.
- Fold strollers before boarding. Strollers must remain folded and out of the aisle while on the bus.

### Rider Conduct

RVT has a list of rules to ensure the safety and comfort of all passengers and drivers. Violators may be subject to exclusion from service, fine or arrest. Prohibited conduct includes, but is not limited to, the following:

- Fare evasion
- Eating, drinking, or smoking
- Riding under the influence of alcohol or illegal drugs
- Abusive, violent, threatening, or obscene language or actions, including physical abuse
- Tampering with any equipment
- Solicitation on vehicles or premises
- Unacceptable standards of personal hygiene
- Possessing weapons
- Carrying common hazards such as gasoline cans or automotive batteries
- Standing in front of standee line
- Putting feet on the seats
- Operating any RVT vehicle
- Using any electronic device that can be heard by others
- Sleeping or occupying more than one seat

**River Valley Transit realizes its responsibility for the safety of its passengers. We request that any suspicious activity be reported to the driver immediately. Video cameras are present on all buses and around the Trade & Transit Centre.**

This reduced fare is available all day Saturday and Holidays. A personal care attendant rides free when accompanying a person with a disability.

### RVT

## EZ FARE Pass System

One fare takes you anywhere in the River Valley Transit system with the **EZ FARE PASS**.

### USING YOUR EZ FARE PASSES:

**ONE-DAY PASS:** To use this pass, swipe the Pass Card through the magnetic card swipe each time you ride the bus.

**2-RIDE PASS, 10-RIDE PASS & 20-RIDE PASS:** To use these passes, dip the Pass Card into the magnetic fare card slot located on the top of the farebox each time you ride the bus.

**7-DAY PASS & 31-DAY PASS:** To activate your pass, dip the Pass Card into the magnetic card slot located on the top of the farebox. The current date and expiration date will be printed on the back of the Pass Card. After initial use and activation, simply swipe your Pass Card through the magnetic card swipe each time you ride the bus. A beep will sound letting both you and the driver know that the pass has been accepted. You can use your Pass Card for unlimited rides during the specified period, as indicated on the back of the pass. **Days must be consecutive.**

### OTHER EZ FARE PASS OPTIONS:

**CHANGE CARD:** This card will be provided upon request if you overpay. Change cards can be applied towards your next fare on any farebox equipped RVT vehicle. No refunds.

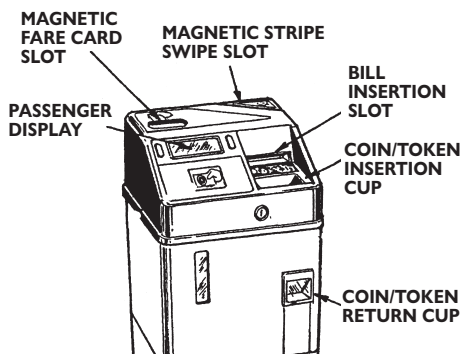

**ELECTRONIC TRANSFERS:** This card will be provided free upon request. Transfers are good for one hour to travel in a continuous direction – FROM POINT OF ORIGIN TO POINT OF DESTINATION. As you board your connecting bus you must dip or swipe your transfer card through the magnetic swipe.

**COIN/TOKEN RETURN CUP:** Rejected coins/tokens are returned in this cup in the front of the farebox.

**COINS/TOKENS:** Insert coins/tokens (no pennies please) one at a time into the Coin/Token Insertion Cup (do not mix coins and tokens).

**BILLS:** Insert bills (ones, fives, tens and twenties only) into bill insertion slot. Bills must be flat, dry and unfolded.

**FOREIGN CURRENCY:** Fareboxes do not accept foreign currency.

## Reading Your RVT Ride Guide

Look at the map in the schedule and locate the time point right before your stop. The number of this time point on the map corresponds to the numbered columns in the timetable section of the schedule.

Times listed in the columns give the time when the bus is scheduled to leave that time point. If you are at a stop which is located between time points, the bus will arrive after the time shown for the previous time point, but before the time shown for the next time point. Time points are numbered in the direction the bus runs along the route.

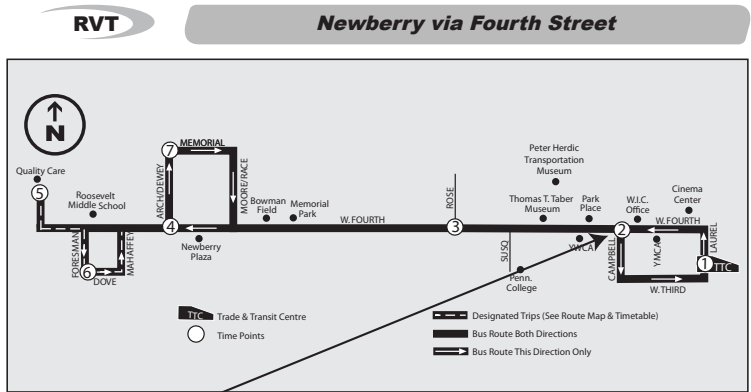

The following example demonstrates how to read the schedules.

**Step 1.** Locate where you are and where you want to go. Let's assume you're at the corner of Campbell and West Fourth Street and want to go to Newberry Plaza located on West Fourth Street.

**Step 2.** On the map locate the timed stop closest to your current location. In this example, it is stop 2 at Fourth and Campbell Streets.

**Step 3.** Read down the 2 column to find the time closest to the time you would like to depart.

**Step 4.** To find the arrival time at your destination, read across the timetable row. In this example the bus leaving Campbell and West Fourth Street at 6:05 will arrive at Newberry Plaza at 6:13 (Fourth and Arch Streets).

## Four Easy Steps to Use the Bike Rack

### Step 1: Lower Rack

Squeeze center handle and pull rack down.

### Step 2: Load Bike

Place bike in one of the two bike spaces.

### Step 3: Secure Wheel

Pull the security arm over the bike's wheel to keep bike in place. The only contact is with the wheel of the bike so there is no damage to the bike frame.

### Step 4: Inform Driver

Upon departure inform driver that you will be retrieving your bike. Remove bike from rack. Close rack.

**Get real time bus departures three different ways using myRide.**

**Go Online**

Visit **my.rideRVT.com** and click to find your stop and get real-time bus departures or plan your trip. The easy to use planner helps you select routes and gives you current bus departure times. On the website you can also sign up for myRide Alerts to receive real-time emails or texts about bus delays. The alerts are great for the bus rider that uses the bus regularly and wants to stay informed of all bus departure times.

**my ride on your mobile phone**

There are two ways to use your smart phone to get bus information. While waiting for your bus, just scan the QR code with your smart phone and get instant bus departure times. RVT is currently posting QR codes at every bus stop.

Or, download the RVT myRide application on your smart phone to find your bus, departure times and service alerts.

Already have Google Maps installed? Great! RVT myRide information is built into Google Maps. Just click "Transit" to get started planning your trip!

**Call Us**

## **Paratransit Service**

River Valley Transit Paratransit Service is operated by the River Valley Transportation Services in compliance with the Americans with Disabilities Act of 1990 (ADA).

**ELIGIBILITY:** River Valley Transit Plus provides transportation services for those individuals with disabilities that prevent them from using the fixed route buses. The disability must make it impossible to board buses or to navigate through the bus system because of a physical or cognitive impairment. Additionally, those with a specific disability related condition which interacts with architectural or environmental barriers to prevent travel to and from bus stops may also be eligible.

Individuals must be certified as ADA eligible before they can utilize the River Valley Transit Paratransit Service. Applications are available from River Valley Transit and various agencies. Call River Valley Transit at 570-326-2500 (Voice) or 570-327-7506 (TDD) for more information.

**SERVICE AREA, DAYS AND HOURS:** The River Valley Transit Paratransit Service area is defined by 3/4 of a mile from any River Valley Transit route and within the municipalities participating in the River Valley Transit fixed route system. A map showing the specific service area is available from River Valley Transit.

River Valley Transit Paratransit Service will be available the same days and hours as the River Valley Transit fixed route system.

**FARES:** For each trip you make on River Valley Transit Paratransit Service, a fare of \$4.00 will be charged. Each stop you make is counted as one trip.

**VOTER REGISTRATION:** As part of the ADA complimentary service, River Valley Transit is required by federal law to offer voter registration opportunities to all age eligible clients. With your application for River Valley Transit Paratransit Service, River Valley Transit will include a voter registration form or you can register to vote at the River Valley Transit main office at 1500 West Third Street, Williamsport. Assistance in completing the voter registration form will be provided upon request or by calling the Pennsylvania Department of State Bureau of Elections at 1-800-552-VOTE or the Lycoming County Voter Registration Office at 570-327-2267.

**RIVER VALLEY TRANSIT ADA/TRANSIT ADVISORY COMMITTEE:** If you want to be a part of the River Valley Transit ADA/Transit Advisory Committee, please feel free to call River Valley Transit. This committee meets on a quarterly basis to discuss issues related to the accessible fixed route service, paratransit service, and other related topics.

## **ADA Fixed Route Service**

**RVT**

River Valley Transit operates route/point deviation services 3/4 of a mile from any River Valley Transit fixed routes within the Greater Williamsport Area. Service must meet ridership minimums, time requirements and vehicle availability. Call River Valley Transit at 570-326-2500 for more information.

# Employment Transportation Program

- ➔ Are you currently working or about to accept employment?
- ➔ Is transportation a problem with accepting or retaining employment?
- ➔ Do you have children?
- ➔ Does your family meet the following income guidelines?

	Size of Family Unit	Maximum Annual Family Income
Count only	1	\$24,980
earned income.	2	\$33,820
Earned income	3	\$42,660
includes:		
• Wages	4	\$51,500
• Bonuses	5	\$60,340
• Commissions	6	\$69,180
• Self Employment Income	7	\$78,020
	8	\$86,860

**Note:** For families with more than 8 persons, add \$4,420 for each additional person/annually.

If the answer to all of these questions is yes, you may be eligible to receive public transportation assistance to and from work.

**To find out if you are eligible, please call STEP, Inc. at 570-326-0587.**

## Title VI Compliance

The ADA regulations require public entities operating fixed route transportation service to provide paratransit as a complement to their fixed route service. This paratransit service, intended for people who cannot use accessible fixed route transportation, must be comparable to the fixed route system in forms of coverage and level of service. This service has to be provided during the same days and hours as fixed route service with comparable fares. Service has to be provided to locations within 3/4 of a mile of the River Valley Transit routes.

River Valley Transit Plus, WBT's ADA paratransit service, was initiated in November 1992, making complementary paratransit service available to ADA eligible clients. In November 1996, River Valley Transit Plus obtained full compliance with all six ADA paratransit service requirements. River Valley Transit Plus service is available from 5:30 a.m. to 11:45 p.m., Monday through Saturday.

Responsibility for service delivery has been contracted with STEP, Inc., which operates a larger shared ride paratransit service in the area. WBT certifies clients as eligible for the paratransit service, but STEP is responsible for accepting reservations and providing transportation to meet trip requests. The ADA paratransit service fare, which is currently \$4.00, is twice the River Valley Transit base fare.
